
CAPE MENTELLE ZINFANDEL 2008

JEREMY OLIVER'S 2011 WINE ANNUAL

95 POINTS

“A brilliant modern zin - an artful reflection of the more perfumed and fine-grained Margaret River reds from 2008. It's scented with spicy, floral and meaty aromas of cranberries, blackberries, redcurrants and raspberries, with undertones of bitumen, cloves and cinnamon. Long and supple, with tight-fisted layers of pristine red and blue fruits, it builds in strength and density towards its lingering and finely astringent finish.”

“You can immediately tell this Margaret River wine is quality from the very first nose. Better yet, it only improves until the last drop. Rich, bold and smooth tastes deliver a full mouthfeel.”,
