
CAPE MENTELLE CHARDONNAY 2011

AUSTRALIAN WINE ANNUAL 2013, JEREMY OLIVER 97 POINTS

“Tightly crafted and finely balanced, this opulent but tightly wound chardonnay delivers Grand Cru concentration and composition. It’s fragrant and smoky, with aromas of white peach, nectarine, grapefruit and fresh vanilla oak backed by suggestions of wax and wheatmeal, plus a hint of bubblegum. Long, smooth and unctuous, it’s explosively fruited, with a seamless presence of flavour underpinned by nuances of cashew and mineral, finishing focused, mineral and quite savoury with fresh, citrusy acids.”

WEST AUSTRALIAN WINE GUIDE 2013, RAY JORDAN 95 POINTS

“Beautifully elegant chardonnay displaying a complex grapefruit and mineral aroma with some slightly savoury, almost spicy, characters. The palate has a rich and lavish texture within its tight frame that is sustained with a fine mineral acid. Love the dry clean finish. Excellent wine.”
