“Such an intense and vibrant blended white. You hear a lot about Cape Mentelle’s reds but they make mighty good whites and this cracking good wine is the perfect example. Precise. Fresh and punchy through to the long finish.”

“Very light colour; young and fresh on the nose, with straw straw and snowpea hints. It's deliciously juicy, quite intense intense and very young on the palate. Good palate intensity intensity and length as well as fragrance: an exemplary S B S S B S blend.”
