
CAPE MENTELLE WALLCLIFFE 2011

THE AUSTRALIAN WINE ANNUAL 2014, JEREMY OLIVER
RANKED #2 TOP SAUVIGNON BLANC SEMILLON BLEND

95 POINTS

“Very focused and classy – an exceptional example of its style. Spicy, floral and coriander – like aromas of grapefruit, melon smoked meats and dried herbs reveal a hint of nettle and fresh nutty vanilla oak. It’s long and complete, with a vibrant, seamless expression of fruit and oak culminating in a mineral finish of refreshing lemony acids and a lingering hint of wet slate.”

WINE COMPANION, JAMES HALLIDAY, JULY 2013

94 POINTS

“This is the barrel-fermented version of the Sauvignon Blanc Semillon, released well after the unwooded wine. This is a fine, juicy blend, the barrel ferment inputs well controlled, leaving the fruit flavours from the mature vines full scope to express themselves: ripe citrus almost extending into stone fruit, lychee, guava and gooseberry also in the sinuous finish.”

THE AGE EPICURE, RALPH KYTE-POWELL, AUGUST 2013

94 POINTS

“Complex nutty, yeasty, citrus, white stone fruit and savoury herbal aromas. Elegant structure and an ultra-long, lip-smacking finish.”
