

# CAPE MENTELLE ZINFANDEL 2007

## LISA PEROTTI-BROWN, THE WINE ADVOCATE, OCTOBER 2010

“...Cape Mentelle’s Zinfandel has got to be about the best example of this grape in the country. Deep garnet colored, the 2007 Zinfandel has incredibly expressive blueberry and spiced raisin aromas with an undercurrent of plum pudding, cinnamon and allspice. Rich, full bodied with medium to high acid and a medium level of velvety tannins, this is one opulent wine giving a beautifully long finish.”

## HUON HOOKE, THE SYDNEY MORNING HERALD, MAY 2010 92 POINTS

“This is one of the best Mentelle zinfandels of recent times. Ironstone aromas plus hints of jam and wood among a complex array of aromas. Smooth, rich, savoury with drying tannins and lots of gravitas ... stacks of flavour and character. ”

## TIM WHITE, THE AGE MELBOURNE MAGAZINE, MAY 2010

“This is the best Mentelle zin I’ve ever tasted on release. Sweet, slightly peppery fruit on the nose and a hint of attractive eucalypt.”

## LESTER JESBERG, WINEWISE, FEBRUARY 2010 “RECOMMENDED”

“Shows strong raspberry aromas and flavours plus some alcohol warmth. Fresh enough, with a firm finish.”
