MARGARET RIVER

## CORALIE LEWIS

ASSOCIATE WINEMAKER

A referral to Pierro in 2008 lead Coralie to Margaret River and provided a platform for Coralie to discover the incredible diversity of white and reds in this region, with its ideal climate and relaxed lifestyle. Having commenced her winemaking internship in Bordeaux at Chateau Cheval Blanc in Saint Emilion & Chateau Beychevelle in St Julien Medoc, after studying at Agro Montpellier a Masters of Oenology and Viticulture plus a National Degree of Oenology, this pursuit of world class cabernet sauvignon eventually lead her to Cape Mentelle in 2015.

Married to an Australian, Coralie has now settled in Margaret River and is conducting her 6th local vintage and second with Cape Mentelle. When not in the cellars or vineyard Coralie likes to spend time with her young family enjoying the pristine natural environment, running her dog and riding her horse.
