

CAPE MENTELLE

MARGARET RIVER

CORALIE LEWIS

SENIOR WINEMAKER

Hailing from the South West of France, Coralie naturally developed a passion for winemaking. After gaining her Master of Oenology and Viticulture and a National Degree of Oenology at SupAgro-Montpellier, she undertook her winemaking internship in Bordeaux at the prestigious Chateau Cheval Blanc in Saint Emilion and Chateau Beychevelle in Medoc.

Her pursuit of world-class Cabernet Sauvignon and Chardonnay led Coralie to the Margaret River region. It became her platform for exploring the incredible diversity of reds and whites in the region, with its ideal climate and maritime influence.

Following stints at both Pierro and Fermoy, plus vintages in the Hunter Valley and New Zealand, Coralie joined the team at Cape Mentelle in 2015. She has played a pivotal role in crafting award-winning wines and innovating wine production, combining the old world with the new.

Married to an Australian, Coralie is firmly considered a Margaret River local and immerses herself in the region every chance she gets. When not in the cellar or vineyard, Coralie likes to spend time with her young family and crazy dog, trail running and riding her horse.
