CORALIE LEWIS

WINEMAKER

A referral to Pierro winery in 2008 led Coralie to Margaret River and provided a platform for her to discover the incredible diversity of whites and reds in this region, with its ideal climate and maritime influence.

Coralie commenced her winemaking internship in Bordeaux at Chateau Cheval Blanc in Saint Emilion & Chateau Beychevelle in St Julien in Medoc, after studying a Masters of Oenology and Viticulture with a National Degree of Oenology at Agro-Montpellier. This pursuit of world-class Cabernet Sauvignon eventually led her to Cape Mentelle in 2015.

Married to an Australian, Coralie has now settled in Margaret River and is conducting her twelfth local vintage and fifth with Cape Mentelle. When not in the cellar or vineyard Coralie likes to spend time with her young family and enjoys running her dog and riding her horse.
