PENNY DICKESON

ESTATE DIRECTOR

Raised in the wine region hub of Adelaide, Penny discovered wine through weekend winery tours in her university days. Drives to visit country friends and family were always combined with cellar door stops, which included tasting a wide range of whites, reds and ports.

Penny has over 20 years of experience in the wine and hospitality industries, starting in food and wine service then moving into training front of house staff. Having qualified as an accountant, she joined Deloitte in Adelaide, focusing on agricultural clients including key wine clients. Highlights from her experiences at Deloitte included standing on top of the tallest wine tanks in the Barossa Valley, taking in the spectacular views. In 2010, Penny joined Cloudy Bay Vineyards in New Zealand as Operations Controller, responsible for supply and financial forecasting, reporting and compliance.

Penny moved to stunning Margaret River, Western Australia in 2020, joining Cape Mentelle Vineyards. She is pleased to have discovered such wonderful wines and people at Cape Mentelle, and beams even more than her usual smiley self when speaking about the Cape Mentelle Chardonnays.

At Cape Mentelle, Penny is responsible for driving the development and delivery of brand and business strategies, whilst ensuring the wellbeing of all those connected to Cape Mentelle. She is a passionate business woman, focused on all aspects of sustainability in business outcomes.
