
CAPE MENTELLE CABERNET MERLOT 2010

WEST AUSTRALIAN, RAY JORDAN, MARCH 2012

96 POINTS

“Here’s a red blend that is so exquisitely balanced and presented you just can’t help yourself but pour another glass. One of the very best under this label. Wild fruit on the nose with a lush mix of plum plummy fruit and a little sage bush edge. The palate seamlessly constructed with an effortless easy finish. The tannin structure and oak integration are features. A most polished and stylish wine.”

SUNDAY TIME MAGAZINE, DAVID PRESTIPINO, MARCH 2012

93 POINTS

““Inspired by the classic Bordeaux blend : 60 per cent cabernet, 26 per cent merlot and a splash of cabernet franc and petit verdot. Well-rounded and firm structure.”structure that promises to see out a decade. ”

THE AUSTRALIAN WINE ANNUAL 2013, JEREMY OLIVER

92 POINTS

“Very polished, elegant and stylish, with a vibrant, floral and earthy bouquet of cassis, dusty cedary oak, dark cherries and mint. It’s long and persistent, with juicy flavours of fresh small black and red berries knit with smoky cedary oak and supported by firmish, loose-knit tannins, finishing with a lingering core of fruit and mouth-watering acids.”
