# CAPE MENTELLE GEORGIANA SAUVIGNON BLANC 2013

---

WINE COMPANION, JAMES HALLIDAY, DECEMBER 2013

92 POINTS

“Light straw-green; while juicy and spotlessly clean, the wine has a slightly savoury/minerally mouthfeel which places it several thousand kms away from Marlborough, and makes it a genuine food style.”

THE WEST AUSTRALIAN, RAY JORDAN, MARCH 2014

90 POINTS

“What a thoroughly delightful fresh and zingy young sauvignon blanc perfect for current drinking. Carries the usual tropical notes with a splash of lemon essence creating a lively mouth feel. Perfect drinking over the next year.”

THE AGE EPICURE, RALPH KYTE-POWELL, OCTOBER 2013

90 POINTS

“Excellent Margaret River sauvignon blanc. Georgiana offers penetrating varietal aromas that suggest lush tropical fruits, blossom and light leafiness. Great balance with a zippy, dry finish.”

THE WINE FRONT, GARY WALSH, SEPTEMBER 2013

90 POINTS

“Punchy ripe tropical fruit, a little grassiness, some flint, juicy fruit sweetness, fine acid and a good finish. Burst of flavour and impact. Good chalky length. Hi! It’s me! It’s made for a market, and made to please, but it’s not cynical. Good stuff. Almost rated it higher.”
