# CAPE MENTELLE SAUVIGNON BLANC SEMILLON 2014

AUSTRALIAN WINE COMPANION, JAMES HALLIDAY

94 POINTS

“There is an array of citrus and tropical fruit aromas and flavours, but it is the electricity of the intense palate that is the defining feature of the wine.”

THE WINE FRONT, GARY WALSH

91 POINTS

“This is the wine that brings home the bacon, as it were, for Cape Mentelle. Quite perfumed with sweet herbs and Disprin, gooseberry, mixed citrus and fresh pineapple. Light and fresh, gentle and not at all abrasive, well measured herbal notes with toned down lime and pineapple flavours. Has a touch of chalkiness, clean acidity and a finish of good length – a bit like a gin and tonic. Rock solid. ”
